

Title:	Conservation Services Student
Work Period:	April 30, 2018 – August 31, 2018
Location :	GRCA Administration Centre 400 Clyde Road, Cambridge
Pay Range:	\$14.00 to \$15.00 per hour 35 Hours per week

General Accountabilities:

The GRCA Conservation Services team requires a student to support a riparian buffer mapping project. Reporting to the Supervisor of Conservation Outreach, the student will support the desktop mapping activities identified in GRCA's commitment to the University of Guelph's Agricultural Greenhouse Gases Program initiative.

Specific Accountabilities

1. Data entry
2. Using digital aerial imagery and a custom web application, identify and record the presence absence of riparian buffers on agricultural lands.
3. Assist with field verification of stream buffer locations as required.
4. Support the delivery of Conservation Services community outreach events

Technical Accountabilities

1. Ability to interpret land use activities including common agricultural land management practices on aerial imagery
2. Ability to interpret general vegetation community attributes on aerial imagery
3. Must be able to work independently and have strong attention to detail
4. Must be currently enrolled as a full time student
5. Good interpersonal skills with the ability to work in a team environment
6. Proficient computer skills in Microsoft Office, basic familiarity with GIS software is an asset.
7. Valid Ontario G or G2 driver's license

Approximate Start Date: April 30, 2018

To Apply: Please send a resume and covering letter to careers@grandriver.ca in MS Word or PDF format and quote "Conservation Services Student" in the subject line.

Deadline for Applications: Friday February 23, 2018

Accessibility accommodations are available for all parts of the recruitment process. Applicants need to make their needs known in advance.
