

Conservation Areas Technician

Immediate Opening

Contract to December 21, 2018 (with possibility of extension)

\$51,765 annual salary

At Kawartha Conservation, we believe our success is dependent on people who want to achieve great things. We have a team of individuals who are talented, dedicated, and are committed to our mission to *“provide leadership in watershed management and conservation.”*

We are currently seeking a professional, self-motivated, team player to join us in the role of Conservation Areas Technician. This individual will be responsible for providing technical and operational assistance in the maintenance of Ken Reid, Windy Ridge, Pigeon River Headwaters and Durham East Cross Forest Conservation Areas and the Fleetwood Creek Natural Area. Some of the more specific responsibilities will include weekly work planning and implementation of ongoing conservation area operations and maintenance, various landscaping, and technical duties such as forest management, restoration projects and ecological monitoring.

To be successful in this position, your qualifications will include:

- Graduation from a post-secondary program in areas such as Parks & Recreation, Horticulture, Natural Resource Management, Ecosystem Management or demonstrated experience with conservation area / parks related maintenance
- Experience and knowledge of conservation areas/parks related maintenance
- Knowledge and experience in use of equipment such as tractors, and mowers
- Carpentry, grounds maintenance, and small power equipment skills and experience
- Demonstrated understanding of safety procedures and knowledge of the safe use of equipment
- Valid M.T.O. driver’s license
- First Aid and CPR required
- Fall Arrest Certification an asset
- Chain Saw Certification an asset
- Safety training an asset

If you possess these skills and share our corporate values of knowledge, innovation, integrity, teamwork, and performance excellence we encourage you to visit our website at KawarthaConservation.com for a full job description, and to review our complete list of corporate values that drive our success.

Applicants are required to electronically submit a cover letter that specifically demonstrates how they meet the position qualifications above, with a resume in one MS WORD or ADOBE PDF, no later than **Midnight, January 28, 2018** to:
