

GIS/Survey Technician (1 Position)

June – August 2018

35 Hrs/Week

\$15.00/hour

At Kawartha Conservation, we believe our success is dependent on people who want to achieve great things. We have a team of individuals who are talented, dedicated, and are committed to our mission to “*provide leadership in watershed management and conservation*”.

This position offers excellent learning opportunities for an individual interested in enhancing and developing new tools for both an internal and external web based mapping site that aids staff and public in displaying environmental information required for day to day decision making. The successful candidate will integrate environmental information provided by consultants into a GIS system by geo-referencing and digitizing, and will assist the Floodplain/GIS Mapping Technician with ongoing surveying.

The successful candidate will possess effective interpersonal skills with the ability to interact effectively and courteously with the public.

To be successful in this position, your qualifications will include:

- Completed of a post graduate GIS certificate or has taken applied GIS courses at a post-secondary level.
- Attendance in an accredited program such as, water resources, environmental science, geography or another related program.
- Knowledge working with ArcGIS, ArcGIS Online, Geocortex Essentials Manager and Workflow Designer
- Experience with various programming software programs such as C++ Visual Basic.NET, Python, SQL and Java
- Experience with field surveying and using survey equipment
- Knowledge of web mapping services and online mapping platforms
- Proficiency in Microsoft applications including spreadsheet and databases
- Ability and experience in report writing would be an asset
- Valid M.T.O. driver’s license with a clean driving record
- ****IMPORTANT** Applicants must meet the Green Jobs in Green Spaces funding criteria. Eligibility criteria can be located at: [Project Learning Tree Canada](#)**

If you possess these skills and share our corporate values of knowledge, innovation, integrity, teamwork, and performance excellence we encourage you to visit our website at www.kawarthaconservation.com for a full job description, and to review our complete list of corporate values that drive our success.

Applicants are required to electronically submit a cover letter that specifically demonstrates how you meet the position qualifications above, with a resume in one MS WORD or ADOBE PDF, no later than **midnight, May 23rd, 2018** to:

Email: resumes@kawarthaconservation.com
