

Junior Web Applicatoin Developer (1 Position) April 30 to August 24, 2018 (17 Weeks)

The Central Lake Ontario Conservation Authority (CLOCA) is seeking a summer student for the position of Junior Web Application Developer. Under direct supervision of the GIS/System Supervisor and working alongside the Web Application Developer, the Junior Web Application Developer develops business changing enterprise solutions with MS .Net Core, MS SharePoint 2013 and other leading edge technologies. The Junior Web Application Developer provides application development support for the Authority's shared service agreements.

Total Wage Rate Per Hour: \$16.15 Hours Per Week: 35

Responsibilities:

1. Design and develop portal content and applications that integrate with other enterprise systems and third party products.
2. Integrate non-SharePoint related services into SharePoint and .Net Core applications as needed.
3. Assist other developers, analysts, and designers in conceptualizing and developing SharePoint and .Net Core solutions.
4. Provide expertise and support to business managers and other members of IT to determine how to best implement, support, and use SharePoint and .Net Core solutions.
5. Complies with CLOCA policies, procedures, vision, and fundamentals.
6. Performs other tasks as assigned by GIS / Systems Supervisor and Director of Corporate Services.

Please indicate in your cover letter how you meet each of the qualifications outlined below:

1. The ideal candidate will be pursuing an undergraduate degree or college diploma in computer programming.
2. The successful applicant will have a minimum of one year work experience and possess a solid working knowledge of .Net development using Visual Studio, SQL Server and Web Development using HTML, CSS, JavaScript, JQuery, AJAX, C#).

To be eligible, individuals must 1) be between 15 and 30 years of age at the start of the employment; 2) have been registered as full-time students in the previous academic year and intend to return to school on a full-time basis in the next academic year; 3) be a Canadian citizen/permanent resident; 4) be legally entitled to work in Canada in accordance with relevant provincial/territorial legislation and regulations.

Send resume and cover letter, no later than Friday March 9, 2017

Rod Wilmot, GIS / System Supervisor
