Activities: 

Welcome to Christie Lake Conservation Area, one of the most beautiful lake settings on the Niagara Escarpment. While visiting, explore the trails that wind for 10 kilometres through peaceful meadows and towering pine forests - you'll be sure to see a wider range of wildlife that make their home in this 330-hectare conservation area. Trails are accessible by foot, snowshoes or cross-country skis, weather permitting. Both swimmers and sunbathers will enjoy Christie Lake's 360-metre sandy beach. Please note that our natural swimming areas are not supervised and do not have lifeguards on duty.
