Fall 2011

Is there a better time than the October long weekend to spend time outdoors?

We don't think so! And the reason we can't wait to finish our turkey and sprint outside into the crisp autumn air is because we know the beauty that awaits us! Nature undergoes a magnificent transformation at this time of year, and what better way to enjoy it than with friends and family?

Send us your best pictures taken while enjoying a Conservation Area in Ontario for a chance to win great prizes.

This weekend, *Step into Nature* at an **Ontario Conservation Area**. Need some inspiration? Check out our list of **Five Great Conservation Areas for Fall Colour Viewing** below...

Conservation Ontario's 2010-2011 Photo Contest draws to a close on **October 31st, 2011**.

Enjoy beautiful vistas over the Niagara Escarpment and the valley lands below at Spencer Gorge, which is managed by the **Hamilton Conservation Authority**. After taking in the fall foliage be sure to check out the magnificent Webster's and Tews Falls which are also located on the property.

For more information and directions to Spencer Gorge, [click here](#).

Foley Mountain Conservation Area, Westport

Looking for a Sunday drive destination? Make Foley Mountain Conservation Area your choice for panoramic views and accessible trail options. Located on top of a granite ridge, and overlooking Upper Rideau Lake and the picturesque village of Westport, this 800 acre conservation area managed by the **Rideau Valley Conservation Authority** is full of mixed deciduous forests that will take your breath away.

For more information and directions to Foley Mountain, [click here](#).

Laurentian Escarpment Conservation Area, North Bay

Experience the 'true north strong and...gorgeous' at the Laurentian Escarpment Conservation Area in North Bay. Managed by **North Bay-Mattawa Conservation Authority**, this Conservation Area overlooks North Bay, Lake Nipissing, and the surrounding area.

For more information and directions to Laurentian Escarpment Conservation Area, [click here](#).

Long Sault Conservation Area, Bowmanville

Nestled on the height of the Oak Ridges Moraine, Long Sault Conservation Area is a popular fall colour destination. Managed by **Central Lake Ontario Conservation**, the 18 km of marked trails treat visitors to over 400 ha of mature forest, plantation, wetland, and meadow habitats. The drive to this Conservation Area in the fall is a treat in and of itself!
