## Conservation Authorities Workshop Bursary

**Free registrations will be offered through a merit-based application process.  
Costs to the participating Authority will be travel and time away from work.**

The bursary aims to:

- 1) Encourage participation by Authorities with limited staff and budgets; and
- 2) Encourage attendance by new Conservation Authority team members.

- Multiple applications are invited from any Conservation Authority
- Applicants must hold a full-time position (contract or permanent)
- Preference provided to applicants in current position for less than 5 years
- Preference provided to applicants who submit an entry to the Innovation Award

**Applicants should send a letter with a supporting statement of merit to [workshops@rvca.ca](mailto:workshops@rvca.ca) by October 1<sup>st</sup>.**

- The letter should identify the following:
  - Current position and responsibilities
  - Number of years at the Authority
  - Past employment experience
  - How they will benefit from attendance at the Workshop
